

The set of plans for this design are no longer for sale.

This page is for information only. If you have bought one of these boats and require a set of plans we hold the complete set still. We no longer offer it for sale as we no longer sell any planing hull forms.

This design has it's origins in the thousands of similar designs one can find on any summers day in the beautiful waters around Sweden, Denmark and Norway

This design come with construction plans for building in fibreglass only and contains many sheets of drawings to scale detailing the full construction process. To save lofting time full size patterns are included for each frame.
